

Wounds Canada Institute

Super Program #1 Agenda

Instructions: Courses are to be completed in the order listed except for webinars – these are scheduled/synchronous. If you cannot attend a live webinar, you have the option to view an archived version. However, you are not eligible for credits for the time spent viewing an archived webinar.

Program	Course	Interactive Components	Average Time to Complete (in minutes)
Best Practice Approach to Skin Health and Wound Management: Knowledge (A100MNN)	Introduction to Skin: Anatomy, Physiology and Wound Healing (APHA01M)	Review of BPR document; quizzing (drag-and-drop, multiple choice, pick many)	90
	Anatomy and Physiology: Skin (APHA02M)	Quizzing (drag-and-drop, multiple choice, pick many)	90
	Anatomy and Physiology: Principles of Wound Healing (APHA03M)	Video: quizzing (drag-and-drop, multiple choice, pick many)	70
	Introduction to Best Practice in the Prevention and Management of Wounds (BPWA01M)	Quizzing (drag-and-drop, multiple choice, pick many)	70
	The Wound Prevention and Management Cycle (BPWA02M)	Video: quizzing (drag-and-drop, multiple choice, pick many)	70
	Local Wound Care (BPWB02M)	Case study: quizzing (drag-and-drop, multiple choice, pick many)	90
	Common Wound Types (BPWB01M)	Case study; quizzing (drag-and-drop)	70
Focus on the Prevention and Management of Diabetic Foot Ulcers: Knowledge (A101MWN)	Introduction to Best Practice in the Prevention and Management of Diabetic Foot Ulcers (BPDA01M)	Review of BPR document; quizzing (drag-and-drop, multiple choice, pick many)	80
	Introduction to Applying Best Practice for the Prevention and Management of Diabetic Foot Ulcers (BPDB01M)	Case study: quizzing (drag-and-drop, multiple choice, pick many)	60
	Webinar A for Diabetic Foot Ulcers (BPDC01W)	Live discussion with students and faculty, polling, case discussion	90
Focus on the Prevention and Management of Pressure Injuries: Knowledge (A102MWN)	Introduction to Best Practice in the Prevention and Management of Pressure Injuries (BPPA01M)	Review of BPR document; quizzing (drag-and-drop, multiple choice, pick many)	60
	Introduction to Applying Best Practice for the Prevention and Management of Pressure Injuries (BPPB01M)	Case study: quizzing (drag-and-drop, multiple choice, pick many)	60
	Webinar A for Pressure Injuries (BPPC01W)	Live discussion with students and faculty, polling, case discussion	90

Focus on the Prevention and Management of Surgical Wound Complications: Knowledge (A103MWN)	Introduction to Best Practice in the Prevention and Management of Surgical Wound Complications (BPSA01M)	Review of BPR document; quizzing (drag-and-drop, multiple choice, pick many)	60
	Introduction to Applying Best Practice for the Prevention and Management of Surgical Wound Complications (BPSB01M)	Case study: quizzing (drag-and-drop, multiple choice, pick many)	60
	Webinar A for Surgical Wound Complications (BPSC01W)	Live discussion with students and faculty, polling, case discussion	90
Focus on the Prevention and Management of Skin Tears: Knowledge (A104MWN)	Introduction to Best Practice in the Prevention and Management of Skin Tears (BPTA01M)	Review of BPR document; quizzing (drag-and-drop, multiple choice, pick many)	60
	Introduction to Applying Best Practice for the Prevention and Management of Skin Tears (BPTB01M)	Case study: quizzing (drag-and-drop, multiple choice, pick many)	60
	Webinar A for Skin Tears (BPTC01W)	Live discussion with students and faculty, polling, case discussion	90
Focus on the Prevention and Management of Venous Leg Ulcers: Knowledge (A105MWN)	Introduction to Best Practice in the Prevention and Management of Venous Leg Ulcers (BPVA01M)	Review of BPR document; quizzing (drag-and-drop, multiple choice, pick many)	70
	Introduction to Applying Best Practice for the Prevention and Management of Venous Leg Ulcers (BPVB01M)	Case study: quizzing (drag-and-drop, multiple choice, pick many)	60
	Webinar A for Venous Leg Ulcers (BPVC01W)	Live discussion with students and faculty, polling, case discussion	90
Focus on the Prevention and Management of Burns: Knowledge (A106MWN)	Introduction to Best Practice in the Prevention and Management of Burns (BPBA01M)	Review of BPR document; quizzing (drag-and-drop, multiple choice, pick many)	70
	Introduction to Applying Best Practice for the Prevention and Management of Burns (BPBB01M)	Case study: quizzing (drag-and-drop, multiple choice, pick many)	60
	Webinar A for Burns (BPBC01W)	Live discussion with students and faculty, polling, case discussion	90
Focus on the Prevention and Management of Peripheral Arterial Ulcers: Knowledge (A107MWN)	Introduction to Best Practice in the Prevention and Management of Peripheral Arterial Ulcers (BPAA01M)	Review of BPR document; quizzing (drag-and-drop, multiple choice, pick many)	90
	Introduction to Applying Best Practice for the Prevention and Management of Peripheral Arterial Ulcers (BPAB01M)	Case study: quizzing (drag-and-drop, multiple choice, pick many)	60
	Webinar A for Peripheral Arterial Ulcers (BPAC01W)	Live discussion with students and faculty, polling, case discussion	90
Focus on the Prevention and Management of	Introduction to Best Practice in the Prevention and Management of Moisture-associated Skin Damage (BPMA01M)	Review of BPR document; quizzing (drag-and-drop, multiple choice, pick many)	60

Moisture-associated Skin Damage: Knowledge (A109MWN)	Introduction to Applying Best Practice for the Prevention and Management of Moisture-associated Skin Damage (BPMB01M)	Case study: quizzing (drag-and-drop, multiple choice, pick many)	70
	Webinar A for Moisture-associated Skin Damage (BPMC01W)	Live discussion with students and faculty, polling, case discussion	90
Outcome Measure #1		Application of risk assessment and screening tools to case studies	150
Outcome Measure #2		Application of a wound assessment/measurement tool to case studies	150
Asynchronous Discussion Forum		Small group discussion with students and faculty	Unlimited open access to asynchronous discussion
Total Completion Time (minutes)			2,610
