

Nurses Specialized in Wound, Ostomy and Contenance Canada (NSWOCC)
44th National Conference:

IDEAs: Inclusivity, Diversity, Equity, Accessibility shared

- May 21-25, 2025
- Montreal, Quebec

Canada's PREMIER Wound, Ostomy and Contenance Conference

Attendees of our Conference can look forward to an event that embraces the theme “**IDEAs: Inclusivity, Diversity, Equity, Accessibility shared**,” focusing on advancing specialized wound, ostomy, and continence care through a lens of inclusivity, diversity, equity & accessibility, ensuring that healthcare professionals are equipped to meet the diverse needs of all patients.

Bringing together a wide range of professionals—Nurses Specialized in Wound, Ostomy and Contenance (NSWOCs), Skin Wellness Associate Nurses (SWANs), physicians, RNs, NPs, LPN/RPNs, and allied healthcare workers—the conference offers an inclusive platform for collaboration, knowledge-sharing, and networking, and fostering cross-discipline learning to elevate patient care.
