

Letter of Support for the Wounds Canada Accredited Wound Care Champion Program (AWCCP)

*Ontario Ministry of Health Funded **Wounds Canada Accredited Wound Care Champion Program (AWCCP)** Program for regulated healthcare providers working in approved Northern Ontario Hospitals*

This letter is to acknowledge the commitment of our facility to the regulated health care providers on our staff including physicians who are accepted into the Ontario Ministry of Health funded AWCCP program offered through Wounds Canada. We are grateful for this initiative to improve wound outcomes within our organization and build skin health and wound care capacity within our team.

We are prepared to provide support to:

who is a
name of staff member/physician (indicate professional designation ie.RN)

currently employed by (name of hospital) to apply
to the Wound Care Champion Program and are fully prepared to support them throughout the
program if accepted.

We are aware the program will commence in October 2026 and will run until the end of April 2027. We have reviewed the requirements, including the 90 hours (approximately) to complete 43 interactive online modules, 12 synchronous webinars, a 3 day in-person session consisting of a two-day skills lab followed by and a one-day skills assessment session, 4 robust assignments/evaluations including 2 case-based assignments, a knowledge quiz and a reflective journal submission. We also acknowledge that the above-named applicant will require time off to attend the three-day in-person skills- lab and skills assessment session.

Please accept this letter as our acknowledgment of the requirements and our approval and support for the above-named applicant to participate in the program.

Sincerely,
Applicant Sponsor
