

## **WOUNDS CANADA VIRTUAL EXHIBITS RULES & REGULATIONS**

### **Eligibility and Allotment of Space:**

Exhibitors will be limited to those companies or other entities offering materials, products or services of specific interest to registrants, as determined by Management in its sole discretion. Management also reserves the right to determine the eligibility of any product for display at the Exhibition. Exhibitors shall comply with the Canadian Medical Association Policy Summary on Physicians and the Pharmaceutical Industry. Space allotments will be made by management in keeping with the level of purchased sponsorship. Management, however, reserves the right to make reasonable changes to booth locations.

### **Default in Occupancy and Downgrades:**

It is understood and agreed to by the exhibitor that in the virtual event, if the exhibitor fails to upload product in the assigned exhibit space within the time limit set for installing and opening exhibits, or fails to pay for the sponsorship at the times specified, or fails to comply with any other provisions concerning use of virtual exhibit space, Management shall have the right to take possession of said space for such purposes as it sees fit and the exhibitor will be held liable for the full rental price of said virtual space. Downgrades in exhibit space are subject to a 25% penalty of the cost of the downgraded space.

### **Limitation of Liability:**

All digital property of the exhibitor is understood to remain under the exhibitor's custody and control, subject to the rules and regulations of the exhibition.

### **Indemnity:**

You and, as may be applicable, your corporate affiliates, directors, officers, employees, agents, representatives, successors and assigns, agree to defend, indemnify and hold harmless the Canadian Association of Wound Care ("Wounds Canada") and its corporate affiliates, and their directors, officers, employees, agents, representatives, successors and assigns, from any and all claims, damages, costs and expenses, including reasonable lawyers' fees and disbursements, related to or arising from your participation in any Wounds Canada virtual or in-person event, in particular, but without limiting the generality of the foregoing claims advanced against you by attendees for representations made by you to them or services or products sold by you to them, either at or following the event.

### **Arrangement of Exhibits:**

Management shall have full discretion and authority in the virtual location placement, arrangement and appearance of all items displayed by the Exhibitor and may require the replacing, rearrangement or redecorating of any item or booth without liability for costs that may accrue to the Exhibitor as a result of the action.

### **Restrictions in Operations of Exhibits:**

a. Lotteries and Contests: The use of games of chance, lottery devices, musical instruments, carnival barkers and other sideshow practices is permitted only with written permission of Management.

b. Demonstrations, Souvenirs, Samples: All demonstrations and other sales activities must be confined to the limits of the booth.

**Subletting:**

The Exhibitor agrees not to assign, sublet or apportion space, or any part thereof allocated to such exhibitor without prior written permission of Management.

**Staffing of Exhibits:**

Exhibitors are recommended to have their booths staffed at scheduled times during each virtual event to optimize customer interaction.

**Cancellation:**

Notification of cancellation must be made in writing. Any cancellations more than 60 days prior to the show are subject to a 50% penalty. Cancellations made within 60 days obligate the exhibitor to full payment of the rental and forfeiture of all monies paid. Any exhibit space not occupied by the booth set-up deadline will be removed from the virtual platform.

**Cancellation or Curtailment of Show:**

Management reserves the right, at its sole discretion, to change the date or dates upon which the show is to be held and shall not be liable in damages or otherwise by reason of any such change.

**Regulation Compliance:**

If applicable, medical products and services being displayed must comply with Government and/or Health Canada and/or industry regulations.
