What Primary Care Needs to Know about DFUs and Lower Limb

Saturday, October 19 at 8:40 a.m.

Join us at the ***Accredited Wounds Canada 2024 National Conference**

Exclusively for MDs and NPs, participants at this wound care session will be able to:

- Outline the elements of a lower leg assessment
- Describe the pathophysiology of diabetic foot ulcers.
- Recognize indications of diabetic foot infection through office-based assessments
- Develop treatment plans for preventing and managing diabetic foot complications

Canada's largest wound care conference features an eminent faculty presenting the latest updates, innovations, and research findings to advance your wound care learning. Join us for more engaging sessions such as:

- Feet with Diabetic Foot Ulcer Risk: Recognizing the Signs and Symptoms
- American Limb Preservation Society Session: Toe and Flow - The Team Model for Limb Salvage...and much more
