

## **Wound Debridement Workshop**

### **Agenda**

0730: Registration

0800: Introductions and housekeeping

0815: Wound debridement theory

0930: Refreshment break

1000: Debridement skills

1100: Tissue exploration and care considerations

1130: Debrief and wrap-up

#### **Notes:**

- If you have a lab coat (or an old long-sleeved shirt), please bring it with you to use during the workshop. You will be practising debridement using pigs feet
- Remember to print off and bring your WORKBOOK!
