The theme of the 41st NSWOCC National Conference is **“Still Online & Feeling Fine!”: Case-Based Learning in a Virtual World** and will be focused on advancing specialized care in the three domains of wound, ostomy and continence care through a virtual conference platform.

The NSWOCC National Conference Planning Core program under the leadership of Mary Hill, RN, BScN, MSN, WOCC(C) have worked hard to develop a leading-edge educational program featuring national and international subject matter experts in the areas of wound, ostomy and continence care.

Topics will be delivered to address Wound & Skin, Ostomy, Continence & Leadership.
