New Educational Program from Coloplast

Coloplast Canada Corp. is proud to announce the launch of our all-new global wound and skin care educational program, the *Coloplast® Wound Institute – CWI*.

Coloplast Wound Institute (CWI) is designed for health-care professionals working with wounds. The program aims to increase the knowledge of modern wound healing principles and improve the standard of care for patients with wounds around the world. It is a part of our ongoing dedication to supporting wound care education.

CWI contains 14* interactive courses covering various wound and skin care topics. Each course is developed in collaboration with world-renowned wound care experts, peer reviewed and endorsed by the European Wound Management Association (EWMA). To learn more about how you can make

every day count towards improving patient outcomes with wound and skin care education, please visit <https://www.coloplast.ca/cwi>.

We Are Coloplast, We Believe in Skin

**Currently, 8 out of 14 courses have been launched in Canada.*

About 3M

3M is fundamentally a science-based company. We produce thousands of imaginative products, and we're a leader in scores of markets—from health care and highway safety to office products and abrasives and adhesives. Our success begins with our ability to apply our technologies—often in combination—to an endless array of real-world customer needs. Of course, all of this is made possible by the people of 3M and their singular commitment to make life easier and better for people around the world.
