

THE FIP WORLD CONGRESS OF PODIATRY

MONTREAL, CANADA
MAY 26-28, 2016

The **FIP WORLD CONGRESS OF PODIATRY** is held every three years and attracts participants from around the world, including podiatrists in private practice, the public sector, academia and students. There are many great lectures and workshops on diabetes, dermatology, surgery, gait analysis, Podiatric and Sport Medicine and a full day on Biomechanics with world renowned lecturers.

This is the only **GLOBAL** congress with presentations from participants worldwide. The exhibit hall is an integral part of the World Congress that enables participants to see a wide array of foot related products and services from around the world.

THIS IS YOUR OPPORTUNITY TO CONNECT GLOBALLY

This will be the largest gathering of international foot and ankle practitioners/specialists. This meeting is the premier forum for professionals, industry and academia practicing in this field to interact.

French & English Translation available in one of the main meeting rooms throughout the 3 days of the congress!

Confirmed Keynote Speakers

Dr. John Bell (Canada)
New frontier in treating cancer

Dr. Kristien van Acker (Belgium)
The challenge of filling the gap of diabetic foot care on the international level: podiatrists are the gate keepers!
