Discover what negative pressure and Hydrofiber® Technology can do together

When it comes to creating an environment conducive to healing, you already know what negative pressure wound therapy can achieve. But combine two powerful technologies, and you could achieve even more.*

The Avelle™ Negative Pressure Wound Therapy System brings together negative pressure with the power of Hydrofiber® Technology, which is designed to help create an ideal environment for healing.

So make a positive change to your Negative Pressure Wound Therapy regime, and choose the Avelle™ system from ConvaTec.
