Implementation Science, and Evaluation

Doris Grinspun & Irmajejan Bajnok

# Transforming Nursing Through Knowledge

**Doris Grinspun, PhD, MSN,  
BScN, RN, LLD(hon), Dr (hc),  
O.ONT.**

**Irmajejan Bajnok, PhD, MScN,  
BScN, RN**

From its conceptual and programmatic underpinnings to lived experiences of faculty, students, nurse executives, and direct care nurses—the book—in its transparency, leaves no stone unturned, allowing readers to gain a full understanding of a nurse's role in developing, using, and evaluating the impact of knowledge tools in healthcare.

Authors Doris Grinspun and Irmajejan Bajnok designed this text to be a practical, go-to book for healthcare organizations, policy makers, executives, clinicians, faculty, students, and others learning how to create an evidence-based culture, how to get started, move forward, and achieve practice and policy results.
