

# Wounds STOP here

## Prevention and Management start November 8–11 in London, ON

**Join us for this multidisciplinary event for:** Chiropractors/Podiatrists, Dermatologists, Endocrinologists, Enterostomal Therapy Nurses, Family Physicians, Nurse Practitioners, Occupational Therapists. . . and more!

**Topics include:** Diabetic foot, pressure, arterial, venous, acute and malignant wounds; key aspects of local wound care; advanced therapies . . . and more!

This will be a four-day continuing education event designed to support health-care professionals who work with patients with wounds or who are at risk for developing wounds.

Visit [www.WoundsCanada.ca](http://www.WoundsCanada.ca) for more information and to register.
