

# The Power of 360° - Advanced Wound Care, Within Reach

## The Right Product at the Right Time for the Right Clinical Need

### Transforming Wound Care Today

360° Advanced Wound Care is focused on research and innovation for the management of burns, and acute and chronic wounds. Our commitment is to provide a comprehensive suite of evidence-based product solutions coupled with industry leading science and service initiatives to support both the patients' natural restorative healing process and the providers' goals of healing complex wounds efficiently and effectively at every stage of the wound healing process.
