

# Where impressively strong meets amazingly gentle.<sup>1</sup>

Help prevent pressure injury-related skin damage with 3M™ Tegaderm™ Silicone Foam Dressings.<sup>2</sup>

Featuring 3M's innovative adhesive technology, 3M™ Tegaderm™ Silicone Foam Dressings provide significantly longer wear time than the leading competitive silicone foam dressing while being gentle to the skin.<sup>3</sup> The optimal balance of strong and gentle, makes 3M™ Tegaderm™ Silicone Foam Dressings an excellent choice for your wound management and pressure injury prevention programs.<sup>4</sup>

**3M™ Tegaderm™ Silicone Foam Dressing:**  
Your choice for advanced wound management and pressure injury prevention.
